5. Select “Compare” and you can view the providers’ ratings side-by-side. Click on the name of each provider to view their full Report Card with even more detailed information.

Compare programs

Review selected program comparisons.

Report card categories			
The Educator Preparation Report Card presents data on the State Board's key priority areas for preparing educators for Tennessee: recruiting strong, diverse candidates to teach in the areas of greatest need; employment and retention in Tennessee public schools; strong teaching performance; and effectively supporting our students' learning.			
Candidate Profile Performance The Candidate Profile domain evaluates the provider's ability to recruit a strong, diverse cohort of candidates and prepare them to teach in the content areas of greatest need.	Does Not Meet Expectations	Does Not Meet Expectations	Meets Expectations
Employment Score The Employment domain evaluates a provider's performance in preparing educators to begin and remain teaching in Tennessee public schools.	Exceeds Expectations	Exceeds Expectations	Exceeds Expectations
Candidate Assessment Score The Candidate Assessment domain evaluates a provider's performance in preparing candidates to pass the pedagogical	Exceeds Expectations	Exceeds Expectations	Exceeds Expectations

6. Finally, you can use the map filter to identify providers near you that meet your needs. Type in a city or specific address, click “Apply Filter,” and the map will zoom in to your area.
